

## Supply Chain Equity Partners Adds Brent Grover To its Board of Advisors

Supply Chain Equity Partners, the only private equity firm focusing entirely on investments in distribution and related logistics companies, announced that Brent Grover has joined its Board of Advisors. Mr. Grover is the founder and managing partner of Evergreen Consulting, LLC and an NAW Institute for Distribution Excellence Fellow. He serves as an advisor to the distribution channel on acquisitions, strategic planning and profit improvement. Mr. Grover joins three other Board members: Gordon Spelich, Charles Irby, and Adam J. Fein, Ph.D., president of Pembroke Consulting, Inc. and another NAW Institute for Distribution Excellence Fellow.

Cleveland, OH 44114  
(216) 925-4184

Mr. Grover has significant hands-on experience working with management teams of distribution businesses in sectors such as packaging, motion control, power transmission, material handling, fuel and lubricants, perishable goods, building materials and supplies and electrical products. He is the author of several books related to distribution and logistics, including *The Acquisitive Distributor: Four Keys to Success When Buying a Wholesale Distributor*, *The Official Guide to Wholesale Distributor Financial Success*, and *More to the Bottom Line: Customer Profitability Analysis Tools for Distributors*. "Distribution and logistics companies present outstanding opportunities for knowledgeable investors. Supply Chain Equity Partners offers a unique combination of deep industry experience and resources to help management, as well as financial capabilities" according to Grover.

"With his deep knowledge acquired over a lifetime spent in the distribution sector, Brent is an ideal complement to our value-added investor base," said Jim Miller, a partner of the firm. Nearly all of Supply Chain Equity's committed capital comes from experienced distribution professionals, including former owners of distribution companies and leading consultants and advisors to the industry.

Supply Chain Equity Partners seeks to partner with strong management teams and business owners to build industry-leading, visionary distribution companies.
